

Volunteer Judges Needed!

Environmental Challenge

Tuesday, May 23, 2017

Be part of the excitement as we host the 15th ESF/Syracuse City School District Environmental Challenge for 7th and 8th students. Judging is easy and fun! We need at least 100 volunteers to judge almost 500 student projects. Give us your morning and you will receive judge training, food, parking and the satisfaction of encouraging youth in STEM activities.

The event will be held in the SUNY-ESF Gateway Center and the SU Carrier Dome.

To Volunteer Contact:

Maura Harling Stefl

mhstefl@esf.edu

315-470-6811

www.esf.edu/outreach/k12/sciencefair/
